Versatile Pro All-in-One

Model with  
bottle holder

### Don't put your health on hold!

From the moment the fruit rolls in until the juice comes out, Versatile Pro showcases its superb performance, providing customers with a user-friendly experience and healthier lifestyle.

A 250 ml glass of juice in just **10** seconds

### The fastest juicer every time

The Versatile Pro's incredible performance delivers a 250 ml glass of juice in just 10 seconds.

## Keep on juicing!

The fruit route from start to finish for letting the juice flow.

### Optimised from top to bottom

### New feeder system

Ultra-smooth fruit intake

### 1Step Extraction Kit

The entire juicing system can be removed in one piece quickly and easily.

### New more functional tap

Handy push-button tap

### With bottle holder

In the All-in-One model

## Non-stop right from the start

**Optimised rotation** in the feeder system to improve the orange intake into the juicing system.

## Press and go

New more functional, user-friendly design so the juice flows straight into the glass or the bottle, without wasting a drop during the juicing process.

## Easy to juice, easy to clean

Thanks to the **1Step Extraction Kit**, you can remove the entire juicing system quickly and easily, **saving on time and cleaning.**

Use it as a spare for those times when your business just can't stop.

Insert and remove in one simple step

Functional design for better grip

Wash it in the dishwasher or under the tap

## Perfect for all types of bottles necks

The new bottle holder accessory **adapts seamlessly** to any type of bottle neck, thanks to the **three interchangeable sizes.**

Comes as standard in the All-in-One model with bottle holder

## Choose one, two or all three

Height **30<sup>cm</sup>** Tallest on the market for large bottles

VERSATILE PRO ALL-IN-ONE

## The most compact self-service juicer on the market.

Its built-in feeder and easy self-service mode make it the **ideal, most compact juicer for supermarkets.**

**Short on space? You only need 0.26m<sup>2</sup> to offer your customers premium freshly squeezed juice.**

### Get more likes from your customers

Your customers can fill their juice bottles quickly and easily, **without the need to have store staff on hand**, thanks to the juicer's new tap and new bottle holder.

# The heart of our juicer

Our Original System® ensures no juice comes into contact with the peel thus preventing the essential oils and acid it contains from contaminating it.

Rotating system

Accurate, clean cut

Optimal performance

## Available in 4 colours

## Elegance at first sight.

Avant-garde lines and finishes and the use of robust, high-quality materials combine to perfection with its four colours.

The new Black colour adds a sophisticated, elegant look to any space.

ASP®  
Antibacterial nanotechnology

## Antibacterial nanotechnology

The ASP® system acts like a silver ion shield, preventing bacteria from spreading inside the juicer.
