

IT SIMPLY ADAPTS. TO ANY COFFEE CORNER. TO YOUR CUSTOMERS.

With its outstanding milk foam technology, premium coffee quality and at the same time fool-proof operation and maintenance, Black&White4 neo is the perfect solution for a lower daily requirement of 20 to 100 cups.

Black&White4 neo CT
The purist in the neo family focuses entirely on pure coffee specialties. Look forward to espressos in ultimate barista quality.

Black&White4 neo CTS
The steam wand can be used to froth almost any type of milk into a barista-level foam. Perfect for alternative, plant-based milks.

Black&White4 neo CTM
With classic coffee-milk specialties, CTM delights connoisseurs and can be positioned almost anywhere.

Black&White4 neo CTMS
Allrounder CTMS is the milk foam professional in the neo group. It processes animal-based or plant-based milk from a tank or with a steam wand into premium foam – hot or cold.
